Sharnyn gave a huge thank you to all. Sharnyn to contact Leanne to book space for 2019.

See separate "What worked & what didn't". Briefly - Good call to go inside. Lots of kids

involved was great. School liaison was fantastic. Having senior management visible on the

day was really good. Impressed with quality of grocery donations. Put eftpos & info together

next year. Hall needs wifi boost. Christmas trees & gift wrapping do again. More helpers for

parking needed.
