

17th March 2020

COVID 19 Communication -

Please find attached our most up to date publication for today. As we receive more updates from the Ministry of Health and Education, we will update you further.

We are looking for families to register with us if you intend to travel with your children or have people in your household who have returned from overseas please let us know by completing the form below:-

<http://bit.ly/traveloverseas>

The link is also included in the publication.

Thank you.
