

# LEGACY WALL

## To the RHS Community,

We are creating a piece of art in the form of a cloak as a legacy wall to be installed & fixed to the building on the Junior High side of the Breezeway.

A cloak was chosen to represent our founding staff and families as it fits beautifully alongside our school logo the kāhu (or swamp harrier). The weaving of the feathers together into a cloak shows the importance of community, history, and family becoming one to watch over and protect the future staff and students of our amazing school.

Families are now being given the chance to purchase a feather for their child or children.

- Stainless steel feathers with up to 30 characters of engraving are \$100 each.
- Lines of text will be engraved within the 'feather' lines.
- Feathers with between 30 to 60 characters are \$130. (for above 60 characters P.O.A.)
- You choose what is engraved on your feather (within our parameters).
- We suggest a students name & the year they began attending.
- Multiple children from the same family can be listed on one feather.

If you wish to purchase a feather or find out more please fill out the form via the link:
